

Board of Public Works Committee Meeting

January 21,2015

4:00 P.M.

Present: Chairman Roger Williamson, Council Member Larry Mitchell, Council Member Brad Harris, City Manager Dave Faber, and Chris Townley of Townley Engineering.

The following items were discussed with recommendations to come at the next Council Meeting :

- 1. After a lengthy discussion it is our recommendation that Beckett&Raeder Landscape Architecture Planning & Engineering, as recommended by Townley Engineering , be selected as the firm to design the Elk Street Boardwalk.**
- 2. Discussion held relative to asking for bids for the following streets which would be added to our 2015 Streets Capital Plan: Colonial Drive, Bennett Drive, Bramblewood Court (Clair Wait Sub, and Northwood Drive (Clair Wait Sub).**

Meeting adjourned at 5:25 p.m..

Submitted by Roger Williamson, Chairperson
