Survey Results:

- No big concerns. Several comments on having new catchers gear including a catcher's mitt. The mitt is not feasible to have as they would have to "break in" before use and the cost. The others comments where, pitcher mounds verse rubber mats, concession stand not being open on Saturday for T-ball and South batting cage being built up due to water laying when it rains. Jeff and James will look at the catchers gear and order what is need. No other action taken.

Thumb Festival Activities:

- 3 on 3 is being planned and softball tournaments for that weekend. Would be a good idea to have the concession stand open. Will have to review this at a later time when more information is available to see if we still need to have the concession stand open for the kids event at the Fairgrounds.
